

Summoned to the King's Harem Offers Faith-Centered Guidance for Women Navigating Singleness

Khabira Tucker guides Christian women toward healing, spiritual growth, and renewed purpose, turning seasons of waiting into opportunities for preparation.

NEW YORK CITY, NY, UNITED STATES, June 3, 2026

[/EINPresswire.com/](https://EINPresswire.com/) -- In a culture that often measures success by relationship status, *Summoned to the King's Harem: Finding Healing, Contentment, and Divine Love in Your Single Season* offers a transformative message for women navigating singleness with faith and hope. Written by Khabira Tucker, this inspiring spiritual memoir and guide encourages readers to view their waiting season not as a setback but as a sacred period of preparation, healing, and divine purpose.

Drawing from the biblical account of Queen Esther, Khabira presents a compelling framework for understanding singleness as a season of refinement and positioning. Through scripture, personal reflection, prophetic insight, and practical wisdom, the book helps women overcome feelings of loneliness, rejection, and uncertainty while developing a deeper relationship with God. Rather than focusing solely on marriage, the book emphasizes becoming whole, confident, and rooted in purpose before stepping into future promises.

The inspiration for the book emerged from Khabira's own experiences and her desire to encourage women who feel overlooked or discouraged while waiting for God's direction. She challenges the common belief that fulfillment begins with a relationship and instead highlights the spiritual growth, emotional healing, and self-discovery that can occur during seasons of waiting. Her message reminds readers that God often uses hidden seasons to prepare individuals for greater assignments.

Summoned to the King's Harem: Finding Healing, Contentment, and Divine Love in Your Single Season by Khabira Tucker

Throughout the book, readers are encouraged to shift their perspective from lack to expectation, recognizing that God's timing is intentional and purposeful. Khabira emphasizes that seasons of preparation can cultivate wisdom, strengthen faith, and build the character necessary to sustain future blessings. Her message offers reassurance that waiting does not mean being forgotten but rather being equipped for what lies ahead.

Readers will learn how to embrace singleness as a meaningful chapter rather than a punishment, break free from emotional baggage and unhealthy attachments, strengthen their spiritual disciplines, and discern God's voice in relationships. The book is particularly relevant for Christian single women, young adult believers, and anyone seeking greater clarity, healing, and confidence in their walk with God. Its practical and faith-centered approach provides encouragement for those seeking both personal growth and healthy future relationships.

Known affectionately as Pastor K among many women in her faith community, Khabira has become a trusted source of encouragement and spiritual guidance. Her passion for helping women discover their identity in Christ and pursue emotional and spiritual wellness shines throughout this work. Through authentic storytelling and biblical principles, she offers readers a pathway toward contentment, restoration, and purpose.
