

Donnell Systems, Inc. Achieves WBENC Certification, Strengthening Its Position as a Woman-Owned Business

Recognition reinforces Donnell Systems continued commitment to representing women in the technology industry.

SOUTH BEND, IN, UNITED STATES, June 3, 2026 /EINPresswire.com/ -- [Donnell Systems, Inc.](https://www.donnellsystems.com/), a long-standing provider of information management solutions, is proud to announce its national certification as a Women's Business Enterprise by the Women's Business Enterprise National Council (WBENC), the nation's most widely recognized certification for women-owned businesses.

"We are immensely proud to be recognized as a WBENC-certified Women's Business Enterprise and excited to expand the representation of women in the technology industry," said Mary Donnell, CEO of Donnell Systems, Inc. "This certification represents the hard work of our entire team and continued commitment to doing things the right way. I look forward to leveraging this recognition to create new opportunities and expand our reach with organizations that value integrity, diversity and high standards."

Following a meticulous and rigorous review process, WBENC certification recognizes that Donnell Systems is 100% woman-owned, operated and controlled. "I look forward to leveraging this recognition and opening the door even wider to create new opportunities and partner with organizations who are committed to supporting women-owned business," added Mary Donnell. "It's another step forward as we continue to provide our solutions to a broader network."
