“

Nordlys® helps us meet that demand by offering precision treatments that work, leaving skin glowing, even-toned, and visibly healthier.”

Kristie Devine

medical aesthetics practice serving the Santa Ynez Valley, is proud to announce the addition of the Nordlys® system by Candela, a globally recognized multi-application platform for advanced cosmetic laser treatments.

The Nordlys® device delivers precise, highly targeted light and laser treatments using technology that protects the skin. With minimal downtime, treatments are ideal for clients seeking natural-looking, radiant results without invasive procedures.

"With the Nordlys® system, we're bringing our clients the latest innovations in [IPL and laser technology](#)," said Kristie Devine, RN, owner and provider at Avandi Aesthetics. "This versatile device allows us to offer a wide range of treatments, from pigmentation correction and redness reduction to skin resurfacing, all with excellent comfort and results our clients can see."

What Is the Nordlys® System?

Developed by Candela, a leader in aesthetic medical devices, Nordlys® is a cutting-edge, FDA-cleared platform that allows providers to treat a broad spectrum of skin concerns with precision, speed, and minimal discomfort, often performing multiple treatments during a single visit.

Skin Concerns Nordlys® Can Address

The Nordlys® system is designed to treat a wide range of skin concerns across a variety of skin types, including brown spots and sun damage, redness and broken capillaries, rosacea and facial flushing, uneven skin tone and dullness, fine lines and wrinkles, acne, and vascular lesions including diffuse redness and facial veins. Treatments are tailored to each client's skin condition and goals, with minimal downtime and visible improvements often achieved in just a few

sessions.

Why Nordlys® at Avandi Aesthetics

Clinically proven technology backed by scientific research, comfortable and quick treatments with little to no downtime, customizable for different skin types and conditions, and trusted by leading dermatologists and aesthetics providers worldwide. Nordlys® has been featured on NBC's Today Show and is used by celebrities seeking natural, lasting results.

"Our clients want results without having to take time off or disrupt their routine," said Devine. "Nordlys® helps us meet that demand by offering precision treatments that work, leaving skin glowing, even-toned, and visibly healthier."
