

Oliva Gibbs recognized by Chambers USA for second consecutive year

COLUMBUS, OH, UNITED STATES, June 4, 2026 /EINPresswire.com/ -- Oliva Gibbs was recognized in the Chambers USA Guide for the second consecutive year.

The firm earned a Band 2 ranking in Energy & Natural Resources: Ohio. Additionally, [Josh Abrams](#), Director of Title, Equity Partner, was individually recognized and earned a Band 2 ranking for Ohio-based Energy & Natural Resources attorneys.

"This recognition speaks directly to the trust we've earned and the results we've delivered," Co-Founder [Zack Oliva](#) said. "Our Appalachia team has built a reputation for combining deep oil and gas knowledge with business-focused counsel. These attorneys are committed to continuous learning and are united by a shared goal of serving clients at the highest level."

Chambers and Partners, a UK-based legal data and intelligence company, ranks the top law firms and attorneys worldwide through in-depth interviews with clients and industry peers. Firms, practice areas, and individuals are ranked in bands, with Band 1 being the highest.

These rankings reflect Oliva Gibbs' commitment to delivering exceptional legal work and an unparalleled client experience. They also reinforce the firm's reputation across Appalachia and highlight the strength of the team driving its continued growth in the region.

"This ranking is the result of years of hard work from our Appalachia team helping clients navigate some of the most complex legal and business challenges in oil and gas," Co-Founder [Brad Gibbs](#) said. "It sends a strong message about the caliber of work being done by our attorneys and the trust our clients place in us."

Chambers Rankings are determined by measuring the technical legal ability, professional conduct, client service, commercial acumen, diligence and commitment of law firms. Individuals are also assessed using these metrics, as well as any others valued by their clients.

"I'm honored to be recognized by Chambers for a second year," Abrams said. "It's a testament to the relationships we've built and the trust our clients place in us to help them solve complex title issues and move important projects forward. I'm proud to be part of a team that is raising the bar for oil and gas legal work in Ohio."
