5 Hong Kong Students Crowned ELMO World Champions; Taiwan Gold Medalist Joins for Cross-Regional Exchange

HONG KONG , HONG KONG, June 5, 2026 /EINPresswire.com/ -- Organized by Daekyo Hong Kong, the “[Eye Level Awards Ceremony and Carnival 2026](#)” was held on May 31 at D·PARK in Tsuen Wan, attracting nearly 2,000 award-winning students and parents. The event celebrated students’ achievements in Eye Level’s international and local competitions and promoted Eye Level’s educational philosophy: “Learning that’s always at your child’s level.”

Students recognized at the Hong Kong event excelled in Eye Level’s international and local math competitions.

Outstanding Performance by Hong Kong Students in a Global Math Competition

Each year, Eye Level hosts recognized academic competitions for kindergarten, primary, and secondary school students, providing opportunities for students to challenge themselves. Its flagship event, the Eye Level Math Olympiad (ELMO), attracts participants from approximately 20 countries and regions each year.

In ELMO 2025, five Hong Kong students achieved perfect scores and were crowned World Champions, outperforming competitors from around the world.

Fostering Cross-Regional Academic Exchange

To promote regional academic exchange, Eye Level invited and sponsored Cheng Yu-Tang, a Primary 4 student and Taiwan Gold Medalist of the Eye Level Math Olympiad, to attend the ceremony in Hong Kong and interact with awardees from Hong Kong and Macau.

Cheng shared, “This is my first time traveling abroad to receive an award. Winning an honor in a global mathematics competition is a unique and unforgettable experience. Meeting award winners from overseas and hearing their learning experiences is truly invaluable.”

A Vibrant and Interactive Carnival

In addition to the award presentation, the event featured an interactive carnival with educational games, allowing students to explore the joy of learning in a relaxed atmosphere. Eye Level also prepared gifts for participating students. The “Eye Level Awards Ceremony 2026 (Macau)” was also held on May 17 at Pui Ching Middle School in Macau.

Mr. Austin Oh, Managing Director of Daekyo Hong Kong, said the company remains committed to hosting high-quality international competitions that help students gain global experience, unlock their potential, and shine in their learning journeys.
