

Massey Brothers Automotive Named a 2026 Best of North Carolina Award Winner

DURHAM , NC, UNITED STATES, June 8, 2026 /EINPresswire.com/ -- Massey Brothers Automotive has been named a 2026 Best of North Carolina Award winner, recognizing the Durham-based repair shop for its long-standing commitment to quality automotive service, customer trust, and community involvement. Serving drivers across Durham, Research Triangle Park, and the surrounding region since 2000, the family-owned business has built its reputation by combining technical expertise with a customer-first approach that has earned loyalty across multiple generations of drivers.

As a full-service repair facility, Massey Brothers Automotive handles everything from routine maintenance and diagnostics to brake service, alignments, hybrid vehicle repairs, and fleet accounts. The shop's ASE Certified technicians invest in continuing education and advanced diagnostic tools, helping customers get accurate answers and dependable repairs for nearly any make or model. Convenience has also remained part of the company's model, with walk-ins welcome, shuttle service available, after-hours drop-off and pick-up, and a comfortable waiting area with free Wi-Fi.

"Our goal has always been simple: A great customer experience and a job done right!" said a spokesperson for Massey Brothers Automotive. "We know how important a reliable vehicle is to everyday life, and we're grateful that our customers continue to trust us with something so important. Being recognized with a Best of North Carolina Award is an honor for our entire team."

Beyond the service bays, Massey Brothers Automotive has remained active in the Durham community through local school support, charitable giving, and participation in neighborhood fundraisers. That combination of dependable workmanship and local investment has helped the business stand out in a competitive industry.

As the company looks ahead, Massey Brothers Automotive plans to continue growing through the same values that built its name: honest service, skilled repairs, and treating every customer like a neighbor. The 2026 Best of North Carolina Award reflects a business that has spent more than two decades earning trust one vehicle at a time.
