About Chopin Vodka

Chopin Vodka is the world’s first luxury vodka brand from Poland. Founded in 1993 by Tad Dorda, Chopin pioneered the super-premium vodka category and remains family-owned and operated today – the last of its kind in Poland. The brand follows an honest farm-to-bottle philosophy, working closely with farmers within a 15-mile radius of its distillery in Eastern Poland to cultivate potatoes, rye, and wheat of exceptional quality. Chopin’s mission is the same as when the brand launched over 30 years ago: to shift the conversation around vodka – challenging the idea of it being a neutral mixer to an elevated, ingredient-driven Polish spirit meant to be savored, appreciated, and discussed. Internationally recognized for its craftsmanship, Chopin most recently received the IWSC Vodka Producer Trophy in 2025 and was named Vodka of the Year by major global spirits competitions in 2024. Chopin’s portfolio includes Chopin Potato, Chopin Wheat, Chopin Rye, Chopin Family Reserve, Chopin Rye Organic, Chopin Bartender’s Choice, and Chopin Vintage Vault, each expression reflecting the brand’s deep commitment to provenance, tradition, and taste.
