

# Help a Veteran Trucker Turn Hardship into Jobs — Support LTO Logistics LLC's GoFundMe

*Veteran trucker Todd Odham needs help buying trucks to create local jobs and put paychecks in families' hands — donate now to get LTO Logistics LLC rolling.*

KINGSPORT, TN, UNITED STATES, June 9, 2026 /EINPresswire.com/ -- After more than two decades behind the wheel, Todd Odham is asking his community and caring Americans to help him turn a health setback and a lifetime of experience into a small business that creates stable jobs and keeps freight moving. Todd founded [LTO Logistics LLC](#) to hire local drivers, run safe, dependable freight, and give back to the region that raised him.

## About LTO Logistics LLC

A life on the road, a new mission at home.

“

I drove for 20 years. After a health setback, I'm building a company to create honest jobs and give drivers a chance to succeed. Your gift puts a truck on the road and a paycheck in a family's hand.”

*Todd Odham, Founder of LTO Logistics LLC*

Todd earned his CDL-A in 2004 and has spent more than 20 years delivering the goods that communities depend on. When health challenges forced him off the road, he refused to give up on the industry he loves; instead, he turned his experience into a plan to build a company that treats drivers with respect and keeps families working. The company's mission is to provide reliable, efficient freight transportation while creating local jobs and supporting community growth.

## Why this matters now

LTO Logistics LLC is launching a [GoFundMe](#) campaign to raise funds so Todd can buy or lease the company's first

semi-truck and cover the essential startup costs needed to operate under its own authority. The

campaign is focused on putting a safe, fuel-efficient truck on the road so the business can begin hiring qualified [CDL drivers](#) and generating steady revenue for the community.

Exactly how donations will be used  
Every dollar will be applied directly to launch operations and protect livelihoods. Funds will pay for:

Truck acquisition (purchase or lease-to-own of a Freightliner Cascadia 126 with APU).

Insurance, permits, and DOT compliance so the company can legally and safely operate under its own authority.

Branding, safety equipment, and startup operating costs to ensure drivers have reliable, well-maintained equipment.

Donors will be able to follow progress with regular updates, photos, and receipts so you can see the real impact of your gift.

The impact of your gift

A single truck means more than freight moved — it means a paycheck for a local driver, work for nearby vendors, and a stronger regional economy. LTO Logistics LLC plans to hire professional CDL drivers, pay fairly, and create long-term opportunities in Tennessee. Your contribution helps turn Todd's decades of experience into stable jobs and dependable service for shippers and small businesses.
