

Zen Pet Care Services Wins Global Recognition and Pet Innovation Awards

Boise's only dog trail running company earns international honors for GPS-tracked adventures and personalized fitness programs for dogs of all ages.

BOISE, ID, UNITED STATES, June 8, 2026 /EINPresswire.com/ -- Boise dog trail running company earns international honors for specialized fitness programs and GPS-tracked adventures.

Zen Pet Care Services has received the Global Recognition Award (2025) and Pet Innovation Award for Dog Walking Service of the Year (2025). The Boise company specializes in off-leash group hikes and trail runs with up to 20 dogs, using GPS tracking for all adventures.

The business offers personalized dog fitness programs with custom plans for puppies, seniors, and high-energy dogs. Each program includes GPS monitoring and progress tracking. Hiking sessions begin with warm-up walks and end with cool-down periods, with staff trained to watch for signs of dehydration, overheating, and fatigue.

Zen Pet Care Services provides overnight in-home pet sitting paired with exercise programs. The company offers customized sessions lasting 30 to 120 minutes, including running, hiking, and fast-paced walks. All services include fresh water breaks, positive reinforcement treats, and GPS activity reports sent to owners.

The company has maintained BBB A+ accreditation since 2022 and earned Nextdoor Neighborhood Fave recognition for four consecutive years (2022-2025). Idaho Statesman named the business Gold winner for Pet Boarding in 2024 and 2025. The company holds a 5.0 Google rating from 47+ reviews.

"Ten years in, and we're still the only dog trail running company in Boise. We've earned every award, but what drives us is watching dogs thrive," said Christopher Fouser of Zen Pet Care Services.

All staff members are Red Cross Pet First Aid and CPR certified. The team has logged over 21 million steps during the past four years, with a single-day record of 50,221 steps. The company has been in business for 9+ years.
