Lindsay Acura has been awarded the highly coveted 2025 Acura Precision Team Premier Award, cementing its status as one of the elite luxury automotive dealerships in the United States.

This exclusive distinction is the absolute highest honor American Honda Motor Co. and Acura can bestow upon a dealership. Out of more than 270 Acura dealerships nationwide, Lindsay Acura is one of only 15 to earn the "Premier" designation for 2025, bringing this prestigious national recognition home to Columbus, Ohio.

“

Earning the Acura Precision Team Premier Award is a testament to the hard work of our entire staff and the incredible loyalty of our clients here in Central Ohio”
Steve Lindsay, Dealer Principal of Lindsay Acura

While the standard Acura Precision Team award recognizes dealerships for exceptional performance, the Premier tier is reserved exclusively for the absolute top-ranking facilities in the country. To qualify, Lindsay Acura had to achieve the highest possible marks across a rigorous set of

criteria, including exceptional client experience, sales and service expertise, facility quality, and overall operational excellence.

"Earning the Acura Precision Team Premier Award is a testament to the hard work of our entire

staff and the incredible loyalty of our clients here in Central Ohio," said Steve Lindsay, Dealer Principal of Lindsay Acura. We don't just want to meet expectations; we strive to exceed them. This national recognition proves that our commitment to 'The Lindsay Difference' truly elevates the luxury automotive experience."

The award relies heavily on direct client feedback and customer satisfaction surveys, proving that Lindsay Acura has successfully combined an extensive luxury vehicle inventory with a highly personalized, pressure-free environment.
