

# Ask Sharifah Launches Grant Writing Services to Help Nonprofits, Entrepreneurs and Small Businesses Pursue Funding

*Grant writing services now available to help nonprofits, chambers, and small businesses pursue funding with stronger, funder-ready proposals.*

INGLEWOOD, CA, UNITED STATES, June 8, 2026 /EINPresswire.com/ -- [Ask Sharifah](#) has announced professional grant writing services for nonprofits, chambers, small businesses, and community organizations seeking funding opportunities, proposal support, and grant strategy guidance.

The new service is designed to help organizations strengthen their funding applications and improve their readiness for grant opportunities.

Services include grant research support, proposal development, application assistance, funding strategy, and message refinement for organizations looking to present a stronger case to funders.

"Many organizations have strong missions and important ideas, but they do not always have the time, structure, or grant-writing experience to compete effectively for funding," said [Sharifah Hardie](#), founder of Ask Sharifah. "My goal is to help clients turn their ideas into clear, professional, funder-ready proposals that open doors to opportunity."

The service is especially relevant for 501(c)(3) nonprofits, 501(c)(6) chambers, business associations, community programs, and small businesses that are seeking capital, support for special projects, or resources to expand their impact. Ask Sharifah's grant writing services are intended to help clients identify opportunities, organize their materials, and submit stronger applications with a clearer funding strategy.

In addition to one-on-one support, Ask Sharifah also plans to share grant-related resources and

practical insights to help organizations better understand the funding process. The goal is to make grant writing more accessible for groups that may have the mission and momentum to grow, but need help presenting their case in a compelling and professional way.

“Grant funding can be a powerful tool for growth when organizations are prepared and positioned well,” Hardie said. “I want to help clients move from guessing and

scrambling to having a focused, strategic process that supports real results.”

Those interested in learning more about funding opportunities, business support, and related resources can also connect with Ask Sharifah at The People's [Chamber of Commerce](#) Business Growth and Lead Generation Summit on June 22, 2026, from 11:00 a.m. to 4:00 p.m. at Sports Basement, 2100 N. Bellflower Blvd., Long Beach, CA 90815. The summit will bring together entrepreneurs, small business owners, community members, and resource providers for a focused conversation about funding, business growth, housing, AI tools, grants, and lead generation.

Ask Sharifah works with organizations that want practical support in grant prospecting, proposal writing, and funding readiness. Clients can use the service to pursue new opportunities, strengthen current applications, and improve their overall approach to grant seeking.
