

Dr. Niranjana Seshadri Hits Amazon Best-Seller Status with 'Lead with Empathy' Book Co-Authoring with Chris Voss

SANTA FE, NM, UNITED STATES, June 8, 2026

/EINPresswire.com/ -- SuccessBooks® proudly celebrates the outstanding achievement of "Lead with Empathy" co-authored by Dr. Niranjana Seshadri, alongside Chris Voss and distinguished professionals worldwide. Launched on June 4th, 2026, the book has achieved Amazon Best-Seller status, marking a significant milestone in its journey.

Central to the success of "Lead with Empathy" is Dr. Niranjana Seshadri's chapter, "The Power Of Street-Corner Empathy." Dr. Seshadri shares a heartfelt message about the importance of compassion, empathy, and recognizing the humanity in others. Through his personal experience, he encourages readers to lead with kindness and reminds them that even small acts of care can create meaningful change in someone's life.

"Lead with Empathy" has achieved outstanding success on Amazon, earning Best Seller status across multiple business and leadership categories, including Communication & Skills, Marketing, Entrepreneurship, Marketing & Sales, and Direct Marketing.

The book also reached the coveted #1 New Release position in Direct Marketing and gained widespread recognition across Amazon's New Release lists, ranking among the top new releases in Entrepreneurship, Marketing, Communication Skills, Business Development & Entrepreneurship, Marketing & Sales, and Business & Money. These impressive rankings reflect the book's strong resonance with entrepreneurs, business professionals, and leaders seeking to elevate their impact through empathy-driven leadership.

Dr. Niranjana Seshadri - Best Selling Author

Meet Dr. Niranjana Seshadri:

For more than two decades, Dr. Niranjana Seshadri, MD, JD has worked at the intersection of medicine, innovation, and law to help shape the future of healthcare. Trained at the Cleveland Clinic and Beth Israel Deaconess Medical Center, Harvard Medical School, he is an interventional cardiologist and a healthcare entrepreneur committed to building advanced AI platforms that translate clinical insight into meaningful patient impact.

Dr. Seshadri is the Co-Founder and CEO of HelixaHealth.ai, an AI-driven precision wellness company that integrates genetics, lifestyle patterns, and medical records to deliver deeply personalized health guidance. He is also the Co-Founder and CEO of Nectara.ai, which develops neuro-imaging AI tools that support surgeons and neurologists in the management of drug-resistant epilepsy.

In addition to his entrepreneurial leadership, Dr. Seshadri advises international healthcare innovation efforts and translational research programs. His dual background in medicine and law enables him to bridge clinical practice with regulatory and ethical considerations, reflecting his belief that empathy, evidence, and equity must guide all meaningful advances in healthcare.

Dr. Seshadri earned his JD cum laude from the Georgetown University Law Center and went on to complete his LL.M. at UC Berkeley, where he earned Certificates of Specialization in AI Law and Technology Law. He writes and speaks on issues at the intersection of AI governance, healthcare regulation, and digital ethics.

He is the co-author of *Himalayan Tsunami*, a true account of a catastrophic natural disaster and the resilience that followed. The book examines the human, social, and environmental forces that shape survival, loss, and long-term recovery.
