Reynolds EmpowerHome Team began as a mother-daughter team with a simple conviction: that exceptional real estate service and genuine community investment are inseparable. That founding spirit—born in Northern Virginia, shaped by the families of Loudoun, Fairfax, and Prince William Counties—drives every transaction today and is woven into a bold vision for the future.

The team is actively working toward a mission of serving 100 families per month across 100 major metro cities throughout the United States—while giving back \$1 million

annually to local worthy causes in each community they serve. What started as a hyperlocal commitment to the neighborhoods of Northern Virginia has grown into a movement rooted in purpose: every home sold is an opportunity to make a wider impact.

Beneficiaries of the team's giving include The Fisher House Foundation, which supports military families during medical crises—a cause close to home for the military communities across Prince William and Loudoun Counties; Children's National Hospital, serving the region's most vulnerable young patients; and countless schools and community organizations throughout the DC Metro region and Northern Virginia.

SERVING NORTHERN VIRGINIA AND THE DC METRO REGION

Reynolds EmpowerHome Team serves home buyers and sellers across Northern Virginia's most sought-after communities, with deep roots in Loudoun County (including Ashburn, Aldie, South Riding, Leesburg, and Purcellville), Fairfax County (including Chantilly, Centreville, Reston, Herndon, Burke, and Fairfax City), Prince William County (including Woodbridge, Manassas, Gainesville, and Haymarket), Arlington County, Fauquier County, Stafford County, and Spotsylvania County. The team also serves home sellers and buyers throughout Maryland's Montgomery County, Howard County, and Frederick County, as well as Washington DC, Richmond, and Virginia Beach/Hampton Roads—and has expanded its reach to 14+ major markets across the United States, including Atlanta, Denver, Orlando, Tampa, Dallas, Houston, Raleigh, and Charlotte.
