TAMPA, FL, UNITED STATES, June 11, 2026 /EINPresswire.com/ -- Property and Casualty Exam Prep Boot Camp (P&C Boot Camp)

First-Ever Property and Casualty Cram Course by The Insurance School of Tampa Bay – Live Classroom and Streaming

The Insurance School of Tampa Bay is excited to announce its inaugural property and casualty cram course—a

fast-paced, non-credit exam-prep program designed to help prospective test-takers prepare for the 2044 (Personal Lines) and 220 (Commercial Lines) state exams.

The course, titled P&C Boot Camp (Property & Casualty Exam Prep), blends live in-person instruction with remote access. Participants can attend in person at the [Cooke Real Estate School](#), 4130 16th St N, Saint Petersburg, FL 33703, or join via live streaming, with recordings available for later review. The boot camp runs for 30 hours of focused study over three days: Thursday, July 16; Friday, July 17; and Saturday, July 18, from 8:00 AM to 6:00 PM each day. Leading the sessions are Christopher Kazor, CIC; Lutcf, CDEI, Chief Academic Officer at The Insurance School of Tampa Bay; and Michael Petruccelli, a licensed Multi-Line Agent. The instruction centers on targeted review for the 2044 and 220 exams, featuring exam-style questions, thorough explanations, and focused answer discussions. This is a rapid, exam-focused review designed to maximize efficiency; it is not a bridge course or a full rehash of the entire curriculum, with limited Q&A periods to maintain pace.
