

Pre-Orders Open June 12: Aliens vs. Predator (Comic) Machiko & Broken Tusk Predator Statue

Prime 1 Studio announces a new statue: Machiko & Broken Tusk Predator from "Aliens vs. Predator (Comic)." Pre-orders June 12, 2026 (JST).

ASAKUSA, TAITO-KU, TOKYO, JAPAN, June 12, 2026 /EINPresswire.com/ -- Prime 1 Studio is pleased to announce the upcoming pre-order for "Machiko & Broken Tusk Predator" from Dark Horse Comics' "Aliens vs. Predator." This piece will be released as part of the Ultimate Premium Masterline series.

Inspired by the cover art of "Aliens vs. Predator #4" illustrated by Dave Dorman, this 1/4 scale statue depicts Machiko and Broken Tusk Predator standing together in battle. The composition highlights the direction of Machiko's handgun and Broken Tusk Predator's Combistick, reflecting their alliance in the original comic.

Machiko's portrait and Broken Tusk Predator's unmasked head are each sculpted with distinct facial expressions, while the armor, weapons, and equipment feature detailed sculpting and paint applications throughout. LED illumination is included in Broken Tusk Predator's armor and gauntlet.

Front

The themed base includes elements from the battlefield on Ryushi, such as a Warrior Alien, Facehuggers, and acidic blood effects. These details are designed to connect the characters with the setting of the comic.

Additional display options for Broken Tusk Predator include an LED-equipped Bio Mask, dual swords, and two extended Wrist Blade variations.

The DX Bonus Version includes additional parts that allow Machiko to be displayed with a katana.
