

Gynsyng Lounge Announces ÜRY's EDM Throwback Tunes Night in Merchantville, NJ

South Jersey's Premier Cannabis Hospitality Venue Welcomes High-Energy 2000–2019 Festival Nostalgia Night

MERCHANTVILLE, NJ, UNITED STATES, June 9, 2026 /EINPresswire.com/ -- [Gynsyng](#) Lounge, New Jersey's premier cannabis consumption hospitality destination, is thrilled to announce its upcoming featured event, ÜRY's EDM Throwback Tunes Night. Taking place on Thursday, June 11, 2026, from 5:00 PM to 8:00 PM, this highly anticipated evening marks a dynamic fusion of high-energy nightlife culture and sophisticated adult-use cannabis lounge hospitality in South Jersey.

ÜRY's EDM Throwback Tunes Night is diving headfirst into the golden era of festival anthems, late-night rave energy, and the tracks that dominated every speaker from 2000 to 2019. Attendees can expect a night packed with classic electronic drops, euphoric builds, nostalgic bangers, and the exact kind of songs that instantly teleport crowds back to peak festival season. Curated to spark deep musical nostalgia, the setlist will deliver everything from old-school Skrillex and Avicii energy to massive sing-along tracks and chaotic dance floor anthems. This event is carefully designed for electronic music enthusiasts who remember exactly when EDM completely took over the global music landscape.

By combining premium musical curation with a legal, upscale social environment, Gynsyng Lounge continues to pioneer a progressive alternative to traditional, alcohol-centric nightlife. The event offers a safe and welcoming community space for adults to enjoy exceptional sounds, connect with fellow music lovers, and experience a modern iteration of cannabis hospitality.
