goals.

"Every backyard should feel like a private retreat," said Almog Dahan & Shmuel Pinhas, CEOs, Exodus Construction & Remodeling. "Our mission is to create custom outdoor spaces where families can relax, entertain, and make memories for years to come. Whether we're building a new swimming pool or completely renovating a backyard, we focus on quality, communication, and delivering exceptional results."

Swimming Pool with Spa

Exodus Construction & Remodeling provides a full range of residential outdoor construction services designed to create cohesive and inviting outdoor living spaces. The company specializes in custom inground [swimming pool construction](#), offering homeowners a variety of designs, including modern geometric pools, freeform pools, infinity-edge pools, and custom hillside pools engineered to complement unique landscapes and architectural styles.

“

Our clients aren't just investing in a swimming pool or patio, they're investing in a lifestyle. We're proud to create outdoor spaces that extend the home and bring family and friends together.”

In addition to new pool construction, Exodus offers professional [pool remodeling services](#) that transform outdated pools into modern backyard centerpieces. Renovation options include premium tile and coping upgrades, pebble and [plaster finishes](#), Baja shelves, tanning ledges, water features, custom spas, LED lighting, energy-efficient equipment, and complete pool redesigns that improve both aesthetics and functionality.

Beyond swimming pools, Exodus Construction & Remodeling delivers complete backyard remodeling services that bring every element of an outdoor space together. Homeowners can enhance their properties with

custom outdoor kitchens, fire pits, fireplaces, paver patios, retaining walls, artificial turf, pergolas, patio covers, decorative concrete, landscape enhancements, and outdoor entertainment areas designed for year-round enjoyment.

By integrating hardscape, pool design, and outdoor living features into a single construction plan, the company creates seamless backyard environments that maximize both beauty and usability. This design-build approach streamlines communication, project management, and

construction while ensuring every detail aligns with the homeowner's vision.

The Exodus team understands that every property is unique and every family has different needs. Rather than offering one-size-fits-all solutions, the company takes a personalized approach to every project, carefully evaluating the home's architecture, landscape, and intended use to create custom designs that blend naturally with the surrounding environment.

Based in Westlake Village, CA Exodus Construction & Remodeling proudly serves homeowners throughout Los Angeles County and surrounding communities, including Calabasas, Westlake Village, Thousand Oaks, Malibu, Woodland Hills, Encino, Sherman Oaks, Beverly Hills, Pasadena, Santa Clarita, Simi Valley, and neighboring Southern California cities.

With a reputation for quality craftsmanship, transparent communication, and exceptional customer service, Exodus Construction & Remodeling continues to establish itself as a trusted name in custom swimming pool construction and luxury backyard remodeling throughout the region.

Homeowners interested in building a custom swimming pool, remodeling an existing pool, or creating a complete outdoor living space are encouraged to contact Exodus Construction & Remodeling to schedule a complimentary consultation and begin planning their dream backyard.
