

Alderfer Glass Passes Audit by the Auto Glass Safety Council™

TELFORD , PA, UNITED STATES, June 9, 2026 /EINPresswire.com/ -- Alderfer Glass of Telford, PA recently underwent and passed an on-site random safety audit by the Auto Glass Safety Council (AGSC) as part of the third-party validation process required by all Registered Members of the AGSC.

The AGSC is a not-for-profit organization dedicated to the safe repair and replacement of auto glass. It is the definitive authority on safe auto glass repair and replacement practices and is responsible for and continuously maintains North America's only auto glass replacement standard, the Auto Glass Replacement Safety Standard™ (AGRSS). Registered Members of the AGSC are committed to the highest standard of quality and the strongest commitment to safety.

What separates AGSC from other groups and individual companies is their commitment to safety. The audit process verifies that commitment. Registered Members undergo a rigorous on-site inspection of the company, personnel, and procedures. During an audit, AGSC's independent auditors verify that a company's actions and answers coincide with the AGRSS Standard and the company's adhesive manufacturer's instructions.

"Alderfer Glass believes that ultra-fast job times and shortcuts risk safety, which is why we are committed to safe repairs and replacements." says Ben Weaver, the President of Alderfer Glass. The company offers Windshield Repair in Willow Grove, PA.

"AGSC Member companies do not just say that they follow the AGRSS Standard," says AGSC president Jacques Navant. "They prove it by participating in the third-party audit review process. We salute Alderfer Glass and its fellow Registered Members for proving their commitment to the safety of their customers through this rigorous process."

AGSC members who do not complete or pass the audit are removed from membership. A zip code locator of members is available at www.safewindshields.org. Alderfer Glass also provides Windshield Repair in Allentown PA for drivers seeking certified auto glass services.
