

Touch Laser Medical Spa Hosts Exclusive Candela Glacé™ Launch Event in Miami on June 25

MIAMI, FL, UNITED STATES, June 9, 2026

/EINPresswire.com/ -- [Touch Laser Medical Spa](#) is

excited to announce the official launch of [Candela Glacé™](#), an advanced skin rejuvenation treatment designed to tighten, contour, hydrate, and refresh the skin with little to no downtime. The exclusive launch event will take place on Thursday, June 25, 2026, from 4:00 PM to 8:00 PM at Touch Laser Medical Spa, located at 4600 Northeast 2nd Avenue, Suite #7, Miami, FL 33137.

“

This event is the perfect opportunity for guests to learn about the technology, ask questions, and see firsthand how Candela Glacé™ can help enhance skin health and confidence.”

Johanna Vasquez-Solis

The evening event, themed “Glow, Sip & Learn,” will give guests the opportunity to experience the newest innovation in aesthetic skincare while enjoying live demonstrations, expert consultations, refreshments, raffles, swag bags, and exclusive event-only pricing.

Candela Glacé™ is designed to improve skin clarity, texture, hydration, and overall radiance, helping clients achieve the

highly sought-after “glass skin” glow. The treatment offers a gentle, non-invasive approach to skin rejuvenation, making it ideal for individuals looking to refresh and revitalize their complexion without a lengthy recovery time.

“We are thrilled to introduce Candela Glacé™ to our patients and the Miami community,” said Johanna Vasquez-Solis, ARNP, Owner of Touch Laser Medical Spa. “This event is the perfect opportunity for guests to learn about the technology, ask questions, and see firsthand how Candela Glacé™ can help enhance skin health and confidence.”

Attendees will have the opportunity to:

- Learn about the benefits of Candela Glacé™ technology
- Watch live treatment demonstrations
- Meet with skincare and aesthetic experts
- Enjoy cocktails, refreshments, and raffles
- Access exclusive VIP event pricing and specials

Space is limited, and early [RSVP](#) is encouraged.
