Situated at 3500 Washtenaw Ave, Suite G2, the Ann Arbor store is one of over 300 locations open globally and part of a strategic growth initiative that stands to open approximately 35 locations in 2026. As with all the brand’s

stores, the Ann Arbor location offers customers a free, no-obligation personalized in-store fitting with a trained Good Feet Arch Support Specialist.

“Everything is connected,” said Pamela Mehta, MD, a board-certified orthopedic surgeon and Chief Medical Officer of Modern Performance + Recovery Brands. “Oftentimes people with low back pain, knee pain, or hip pain don’t even recognize that it’s actually coming from the poor support they have in their feet.
