“

Sati Spa was conceived as a place of genuine restoration - where each guest's wellness journey is deeply personal, guided by expert therapists and enriched by the healing energy of Phuket”

Bjorn Courage, General Manager of InterContinental Phuket Resort.

Nestled on the pristine shores of Kamala Beach, Sati Spa is a sanctuary of transformative well-being, drawing inspiration from ancient Thai healing traditions and contemporary holistic practices. The spa's philosophy — rooted in the concept of sati, the Pali word for mindfulness - permeates every touchpoint of the guest journey, from bespoke treatment programmes and indigenous botanical therapies to immersive mindfulness and yoga experiences set against Phuket's breathtaking natural landscape.

“Receiving two global accolades from Haute Grandeur is an extraordinary honour and a reflection of the unwavering commitment of our entire team,” said Mr. Bjorn Courage, General Manager of InterContinental Phuket Resort. “Sati

Spa was conceived as a place of genuine restoration - where each guest's wellness journey is deeply personal, guided by expert therapists and enriched by the healing energy of Phuket. These awards inspire us to continue elevating our offering and crafting experiences that guests carry with them long after they leave our shores."

Sati Spa's signature programmes blend time-honoured Thai healing rituals with globally inspired wellness modalities, offering a curated suite of treatments including traditional Thai massage, herbal compress therapies, holistic body wraps using locally sourced botanicals, and integrative wellness journeys tailored to individual needs. The spa's serene treatment suites, dedicated relaxation areas, and state-of-the-art wellness facilities provide a comprehensive retreat experience that guests describe as profoundly restorative.

Set within the award-winning InterContinental Phuket Resort, the spa complements the resort's broader offering of luxury beachfront accommodation, world-class dining, and curated cultural experiences — making it a compelling destination for travellers seeking both indulgence and inner balance.

These two prestigious wins further reinforce Sati Spa's position at the forefront of Asia's thriving wellness hospitality landscape and underscore InterContinental Phuket Resort's dedication to crafting truly transformative experiences for every guest.
