The Parkdale Collection offers a limited opportunity to own a newly built home in one of the Charlotte region's most desirable and rapidly growing markets. Each residence has been carefully designed to balance style, functionality, and lasting value, creating homes that are as practical as they are distinctive.

“

Belmont represents everything we look for in a community.”

Seven homes. Thoughtfully crafted. Designed today for a better tomorrow.

Built With Intention

Each home in the Parkdale Collection is crafted with an emphasis on quality materials, functional layouts, and designer-inspired finishes that bring a distinctive sense of style to every space. Open floor plans create comfortable, flexible spaces for gathering and entertaining, while quartz

countertops, stainless steel appliances, and curated color palettes deliver a modern aesthetic that feels both refined and inviting. Durable, low-maintenance exteriors and energy-efficient construction practices further reflect their commitment to long term value, comfort and performance.

“We approached this community with a simple goal: to bring a thoughtfully designed, high-quality product to Belmont that would instill pride in homeowners and contribute positively to the community as a whole,” said Zachary Betters, CEO of Better Path Homes. “At Parkdale, that commitment is reflected in every detail—from the flow of the floor plans to the finishes and craftsmanship throughout each home. We wanted to create homes that feel welcoming from the moment you walk through the door while honoring and enhancing the strong sense of community that makes Belmont such a special place to call home.”

A Location Designed for Connection

Belmont has become one of the Charlotte region’s most desirable places to live, offering a unique blend of small-town charm, modern conveniences, and regional accessibility. Its vibrant downtown, strong sense of community, and proximity to major employment centers continue to attract homebuyers seeking both lifestyle and opportunity.

Residents of the Parkdale Collection will enjoy convenient access to downtown Belmont’s locally owned shops, restaurants, and community events, while remaining just minutes from Charlotte Douglas International Airport, Uptown Charlotte, and key transportation corridors. Nearby parks, greenways, and outdoor recreation opportunities further enhance the area’s appeal, providing a balance of connectivity and quality of life that is increasingly difficult to find in today’s housing market.

A Partnership Built on Experience

The Parkdale Collection is the result of a strategic partnership between Better Path Homes, a family-owned real estate and development company serving the Charlotte region for more than a decade, and Northstar Real Estate. Together, the two organizations combined local market

expertise, development experience, and construction capabilities through Better Path Builds to bring a thoughtfully planned community to life.

“Belmont represents everything we look for in a community,” Betters added. “It has a strong sense of identity, continued growth, and people who genuinely care about preserving what makes it special. With the Parkdale Collection, our goal was to create homes that complement that character while providing the quality, design, and craftsmanship today’s buyers expect.”
