

Martti Parent Company Equiti Ranked #5 for Healthcare Interpreting in the 2026 NIMDZI 100

NIMDZI recognizes Equiti's healthcare interpreting leadership, strong growth, and continued innovation through the Martti platform.

SUNRISE, FL, UNITED STATES, June 10, 2026 /EINPresswire.com/ -- [Equiti](#) today

announced it has been ranked #5 in healthcare interpreting in the 2026 NIMDZI 100, an annual ranking of the world's top language service providers, recognizing the continued growth and market leadership of Equiti and the [Martti](#) interpretation platform.

“

These recognitions underline the impact Equiti is making in healthcare language access. We are committed to helping healthcare teams improve communication and deliver equitable care with Martti.”

Maureen Huber, Equiti CEO

In addition to its overall ranking, Equiti was also recognized #3 among woman-led language service provider organizations. NIMDZI additionally highlighted Equiti's strong organic growth and differentiated business model.

The recognitions reinforce Equiti's position as a leading provider of healthcare [language access solutions through Martti](#), its interpretation platform designed specifically for hospitals, health systems, and healthcare environments.

Martti supports healthcare organizations with scalable video and audio interpretation services that help improve patient communication, support compliance initiatives, and expand equitable access to care.

“These recognitions underline the impact our team is making in healthcare language access,” said Maureen Huber, Equiti CEO. “We remain committed to helping healthcare organizations improve patient communication and deliver more equitable care experiences with our Martti solution.”

Equiti continues to invest in Martti and healthcare-focused language access technology designed to support patients, clinicians, and care teams across the healthcare continuum.
