

Harbour Air Launches Seattle to Victoria Service

North America's largest seaplane airline brings new destination to Seattle with inaugural route to Victoria, B.C.

SEATTLE, WA, UNITED STATES, June 11, 2026 /EINPresswire.com/ -- Today, Harbour Air celebrated its first flight from Seattle to Victoria. The new seaplane service will operate daily during the summer season with all-in introductory fares available at \$99† CAD, or approximately \$72† USD with today's exchange rate.

Harbour Air seaplane over Victoria

"We are thrilled to bring this new service to the city of Victoria," said Bert van der Stege, Chief Executive Officer of Harbour Air. "Recognizing that Seattle is an important part of Pacific Northwest seaplane history, we are also keen to ensure it's part of our future".

"The launch of Harbour Air's Victoria-Seattle service is an exciting step forward in strengthening connections between our two communities," said Mayor Marianne Alto, City of Victoria. "This new route supports economic growth, tourism, and collaboration on both sides of the border, while showcasing Victoria as a vibrant and accessible destination."

"Today marks a milestone for travel between Seattle and Victoria. Now you can step off a Harbour Air seaplane directly into the centre of Victoria in under 30 minutes with nothing but coastline and mountain views in between. That's hard to beat," said Chris Fordyce, Chief Commercial Officer at Harbour Air.

The addition of the Seattle-Victoria route to Harbour Air's growing network furthers the airline's commitment and strategic focus on providing improved connectivity, more choice and everyday low fares.

Complementing the airline's already existing double daily Seattle to Vancouver route, the new

Victoria service will make it easier to visit family and friends or explore what the region has to offer.
