RICHMOND, VA, UNITED STATES, June 19, 2026 — Global Business Pages today announced the expansion of its global business discovery platform, offering businesses worldwide the opportunity to establish an online

presence for just \$1.30 per year while gaining access to 60 premium growth upgrades and a new affiliate marketing program that pays 20% commissions.

With more than 31 million business listings already indexed, the platform aims to provide an affordable entry point for companies seeking greater online exposure, customer engagement, and [international](#) reach.

"Every business deserves the opportunity to be discovered online regardless of its size or budget," said Vincent Theophil, Founder & CEO of Global Business Pages. "By keeping our entry-level listing price at approximately \$1.30 per year, we're making global business promotion accessible to entrepreneurs, startups, [local](#) businesses, and established companies worldwide."

Affordable Global Presence for Businesses of Every Size

Global Business Pages allows businesses from virtually any industry and location to create a searchable online listing at a cost that remains significantly lower than many traditional

Businesses worldwide can join Global Business Pages for just \$1.30 per year, creating an affordable path to online visibility, growth opportunities, and global reach.”

Vincent Theophil

advertising and directory platforms.

The company believes affordability is particularly important for small businesses, independent professionals, startups, and organizations operating in emerging markets.

Businesses can begin with a basic listing and expand their marketing efforts as their needs grow.

60 Optional Upgrades for Greater Visibility and Growth

To support businesses at every stage of development, Global Business Pages now offers 60 optional upgrades designed to enhance digital presence and customer acquisition.

Available features include:

- Featured listings
- Priority placement
- Advanced SEO tools
- AI-powered optimization
- Lead generation solutions
- Analytics and reporting
- Video profile enhancements
- Premium branding options
- Industry spotlight placements
- Multi-location management
- Reputation management tools
- International promotion packages

The upgrade system allows businesses to customize their marketing strategy while maintaining complete flexibility over costs and services.

New Affiliate Program Rewards Partners with 20% Commissions

The company has also introduced a global Affiliate Marketing Program that provides approved partners with 20% commissions on qualifying referrals.

The program is available to:

- Marketing professionals
- Agencies

Consultants
Bloggers
Content creators
Influencers
Business organizations

Affiliates receive access to referral tracking technology, performance reporting, promotional resources, and ongoing support.

According to the company, the program was designed to create an additional revenue opportunity for professionals who serve business audiences while helping companies discover affordable marketing solutions.

Serving Businesses Across More Than 150 Countries

Global Business Pages currently supports businesses in more than 150 countries and continues to expand its international directory network.

The platform organizes listings by industry, category, city, and region, helping businesses connect with potential customers across local, national, and global markets.

With over 31 million listings already indexed, the company continues to invest in technologies and services that improve business discoverability and customer connections.

Making Business Promotion More Accessible

As digital competition continues to grow, many businesses face increasing marketing costs and limited budgets.

Global Business Pages believes affordable access to online visibility should remain available to organizations of every size. By combining low-cost entry, scalable upgrade options, and global reach, the platform seeks to lower barriers to participation in the digital economy.

"Our goal is simple," said Theophil. "Give businesses everywhere an affordable starting point and provide the tools they need to grow when they're ready."

About Global Business Pages
