

From Drill Bit to Royalty Check: Public Companies Present at June 16 Energy & Precious Metals Virtual Investor Summit

Uranium, Gold, Silver, Copper, Phosphate, Manganese, and Mining Royalties on the Agenda.

NEW YORK, NY, UNITED STATES, June 12, 2026 /EINPresswire.com/ -- [B2i Digital, Inc.](#) invites investors to the [Energy & Precious Metals Virtual Investor Summit](#) on June 16, 2026.

B2i Digital, as the Official Marketing Partner, brings the conference into its ecosystem, anchored by a powerful distribution and media engine that helps fill the room. The summit is amplified across B2i's platform before, during, and after the event. That ecosystem is built upon more than 1.7 million market participants, an engaged audience of retail and institutional investors. The same visibility engine has carried more than 115 investor conferences [From Marketing to MeetingsSM](#).

“

Energy and precious metals are two of the topics investors keep asking about in 2026, the power for everything we're building, and the hedge against what it costs.”

David Shapiro - CEO, B2i Digital, Inc.

The lineup spans uranium from production to development, gold and silver exploration, copper discovery, phosphate for LFP batteries, manganese for the North American battery supply chain, and mining royalties tied to electrification.

Each company has 30 minutes for a live presentation and Q&A. One-on-one meeting requests are available through the VIC site, with replays available on B2i Digital and OTC Markets YouTube channels.

Direct Access to Management Teams Through Live Presentations, Real-Time Q&A, and One-on-One Meetings

“Energy and precious metals are two of the topics investors keep asking about in 2026, the power for everything we’re building, and the hedge against what it costs. One day, one screen, management teams live and taking questions,” said David Shapiro, Chief Executive Officer of B2i Digital. “The constant flow of quality names coming through VIC, across one of the most active conference calendars I’ve seen, is a credit to the team’s mission: give as many companies as possible an intelligent and engaging forum to connect directly with investors.”
