About "IZIGENIA"

"IZIGENIA" is a Japan-born global VTuber project set within a sci-fi universe where two opposing factions — the Outriders and the Aliens — collide over the themes of desire and evolution.

Blending character-driven storytelling with strong visual identities, each member of IZIGENIA is designed to stand out not only as a streamer, but as a fully realized entertainment IP.

The project will primarily operate across global platforms including YouTube and Twitch, with a strong focus on English-speaking audiences while expanding into multilingual content, 3D live performances, and future virtual experiences.
