During the grand opening weekend, guests will have the opportunity to win \$5000 toward the purchase of a new home in Glynlea if they “Sink the Shot,” scoring a hole in one on Dream Finders Homes’ exclusive backyard pool course.

The Ravenna II model highlights the spacious, flexible home designs available from Dream Finders Homes. Offering more than 3,100 square feet of living space, the two-story plan features four bedrooms, 3.5 baths, open gathering spaces and versatile room design.

“With a modern farmhouse elevation, we felt the interior design should be a sophisticated blend of clean architecture with layered textures, organic materials, and subtle luxury,” said Rebecca Taylor of Empire and Company, which carefully curated the interior design of the Ravenna II. “The warm neutrals, ranging green accents, and light woods engage with the pool and landscape beyond, helping us take advantage of the

expansive golf course views and natural light."

Dream Finders Homes is offering its exclusive Designer Series collection of floor plans at Glynlea, with many homesites overlooking Jim Furyk's inaugural signature course. Buyers choose from four thoughtfully designed one- and two-story floor plans ranging from approximately 1,900 to more than 3,000 square feet. Dream Finders Homes' plans start in the \$500s.

"The opening of the Ravenna II model home is an exciting addition to Glynlea Country Club," said Austin Burr, Regional President, South Florida Region, GreenPointe Holdings. "With each new milestone, the vision for the community becomes more tangible, giving prospective buyers the opportunity to experience firsthand the homes, golf and lifestyle that define Glynlea."

Glynlea Country Club offers homebuyers a variety of opportunities to experience a new generation of country club living, with new homes by Dream Finders Homes, Lennar and Perry Homes priced from the \$400s to more than \$1 million. Six furnished model homes are open daily.
