WinSouth Credit Union Earns 2026 Best of Alabama Award

GADSDEN, AL, UNITED STATES, June 18, 2026 /EINPresswire.com/ -- WinSouth Credit Union has earned a 2026 Best of Alabama Award, recognizing the credit union's continued commitment to practical, people-first financial service across northeast Alabama. Rooted in the region for 75 years, WinSouth has grown alongside the communities it serves, helping members manage everyday banking needs while planning confidently for the future.

Known for its slogan, "Celebrating Life's Wins," WinSouth offers a full menu of financial services designed around real life. From checking and savings accounts to youth and teen savings options, certificates, loans, and digital banking tools, the credit union focuses on making financial decisions feel accessible instead of overwhelming. The Spark Rewards Checking account adds extra value for members, offering the opportunity to earn 4% cash back or interest on a checking account.

"This recognition means a great deal because it reflects the trust our members place in us every day," said a WinSouth Credit Union representative. "For 75 years, our goal has been to support people through the financial moments that matter, whether they are opening a first savings account, managing a household budget, buying a car, or building toward something bigger. We are proud to serve this community and grateful to be part of our members' lives."

The 2026 Best of Alabama Award follows WinSouth Credit Union's recognition in 2025, marking another year of strong local support and consistent service. As the credit union celebrates its 75th anniversary, the honor serves as both a milestone and a reminder of the work still ahead.

With deep community roots and a forward-looking approach to financial service, WinSouth Credit Union continues to focus on helping members make the most of life's everyday wins and major milestones alike.
