ATLANTA, GA, UNITED STATES, June 12, 2026 /EINPresswire.com/ -- [Capital City Roofing](#) today announced that Founder and CEO [Brad Strawbridge](#) has been appointed to the Board of Directors of RT3, the Roofing Technology Think Tank. RT3 brings together roofing professionals and technology leaders focused on advancing innovation and technology adoption across the roofing industry.

Brad Strawbridge to RT3 Board of Directors

“

The roofing companies that win the next decade will be the ones that adopt technology with discipline, RT3 brings together the people pushing the industry forward, and I am glad to contribute.”

Brad Strawbridge, Founder & CEO of Capital City Roofing

Strawbridge brings the perspective of an operator who has built and deployed technology inside a high-growth roofing company. He is the co-founder of [BuilderLync](#), an operating platform built for roofing contractors, and has led Capital City Roofing's adoption of drone inspection, data-driven condition scoring, and technology-enabled sales and production systems.

"The roofing companies that win the next decade will be the ones that adopt technology with discipline," said Strawbridge. "RT3 brings together the people pushing the industry forward, and I am glad to contribute an operator's perspective, including the lessons from building our own

platform from the inside out."
