About Millenia Medical Center

Millenia Medical Center opened in Tacoma in November 2025 under the leadership of Mira Dostan, FNP-BC, a board-certified Family Nurse Practitioner with extensive clinical training in aesthetic medicine and patient wellness. The practice offers medically supervised services including aesthetic injectables, laser skin treatments, IV therapy, hormone replacement therapy, and DOT medical examinations, serving patients throughout Pierce County.

In fewer than eight months of operation, the practice has built a patient base of several hundred Pierce County residents. The practice holds membership in the local Chamber of Commerce and has established partnerships with community businesses throughout the Tacoma area.

"Building Millenia Medical Center in Tacoma has been both a professional and personal commitment," said Mira Dostan, FNP-BC, Owner and Provider. "Every patient who walks through our doors receives individualized, medically guided care. Being nominated for Best of Pierce County is a reflection of the trust this community has extended to us, and it reinforces our responsibility to continue earning that trust every day."

Dostan added: "Tacoma is not simply where Millenia Medical Center is located — it is who we are as a practice. The relationships we have built with patients and community partners since opening have shaped every aspect of how we operate. This nomination belongs to the patients and neighbors who have made Millenia part of their wellness journey."
