The conference takes place aboard the Celebrity Edge, an award-winning luxury vessel recognized for its innovative design and world-class amenities. Guests will enjoy beautifully appointed staterooms with Infinite

THE
ABUNDANT
SOUL

The Abundant Soul Alaska Cruise features an intimate conference at sea where each day brings a curated blend of keynote presentations, transformational workshops, and focused breakout sessions. Every speaker on the program is a recognized leader in personal transformation, bringing expertise, lived experience, and powerful teachings to the stage. Guests will move between inspiring talks and hands-on sessions designed to create real, lasting shifts, all while surrounded by the natural grandeur of Alaska's Inside Passage. Evening gatherings bring the community together in meaningful connection, while port days offer space for reflection, adventure, and the kind of perspective that only comes from stepping into the unknown.

"Alaska is one of the last places on Earth where nature speaks louder than the noise of modern life," said Dr. Campbell. "We brought The Abundant Soul experience to sea because luxury and restoration are not opposites. When both are integrated with intention, they amplify each other."

The seven-day itinerary takes participants through some of the most awe-inspiring destinations in the Pacific Northwest and Southeast Alaska. The voyage docks in Ketchikan, Alaska's southernmost port city and home to one of the world's largest collections of Tlingit totem poles, before sailing past Endicott Arm and Dawes Glacier for a morning of cruising past ancient ice fields and abundant wildlife. The ship then docks in Juneau, Alaska's capital city, where Mendenhall Glacier and the surrounding Tongass rainforest await. A full day in Skagway invites exploration of the Klondike Gold Rush National Historical Park and the

legendary White Pass and Yukon Route Railway. The voyage concludes with an evening call in Victoria, British Columbia, the storied Garden City known for its Inner Harbour, historic Parliament Buildings, and the celebrated Butchart Gardens, before returning to Seattle on July 30, 2027.

The Abundant Soul Alaska Cruise welcomes those who are ready to step away from the pace of everyday life and invest in themselves. Each day at sea is thoughtfully designed to support genuine renewal, personal growth, and connection with a community of like-minded travelers.

"Transformational travel has always been at the heart of what Spirit World Travel creates," said McDonald.

"Partnering with The Abundant Soul to bring this experience to Alaska felt like a natural evolution. The landscape alone invites something to shift in people. The programming we have built together makes that shift intentional."
