

TCL Launches Exclusive Deals Across Tablets and Mobile Devices for Prime Day

IRVINE, CA, UNITED STATES, June 16, 2026 /EINPresswire.com/ -- TCL®, one of the world's best-selling consumer electronics brands, today announced massive discounts of up to 35% across its most popular and newest tablets and mobile devices during Amazon Prime Day, running from June 23-26.

From innovative, award-winning NXTPAPER tablets designed for productivity, creativity, and entertainment to feature-rich mobile devices, TCL offers premium technology at exceptional value. During this Amazon Prime Day promotion, shoppers can take advantage of significant, limited-time savings across some of TCL's most popular products, making it easier to experience and enjoy the latest innovations.

Featured in this year's lineup are the TCL TAB A1 Plus and TCL Note A1 NXTPAPER. Whether shoppers are looking for a versatile tablet for multitasking and entertainment or a more comfortable, paper-like experience for reading, writing, and note-taking, both devices are designed to fit a variety of lifestyles. With large displays, long-lasting battery life, and innovative features, TCL's newest tablets offer compelling value.
