Local IT consulting company joins the community in annual walk supporting IBD patients & families

PITTSBURGH, PA, UNITED STATES, June 22, 2026 /EINPresswire.com/ -- IDI Consulting, a leading Pittsburgh-based

consulting firm, is supporting the Crohn's & Colitis Foundation as a Silver Level Sponsor for the upcoming Pittsburgh Take Steps Walk on June, 28, 2026. This annual event brings together participants from across the region to walk, raise funds, and show support for the inflammatory bowel disease (IBD) community while advancing critical research and education.

As part of its ongoing commitment to community involvement and corporate responsibility, IDI Consulting will not only sponsor the Pittsburgh event but also participate alongside local organizations, advocates, and families impacted by IBD. The event provides an opportunity to connect with the community, honor those affected, and contribute to meaningful progress in treatment and care.

"Supporting initiatives like the Take Steps Walk reflects our dedication to making a positive impact beyond the workplace," said Barry Lynch, Managing Partner of IDI Consulting. "We're honored to stand with the Crohn's & Colitis Foundation and the individuals and families affected by these conditions."

This is not IDI Consulting's first time supporting the Crohn's & Colitis Foundation. The firm has previously sponsored and participated in the Take Steps Walk, continuing its commitment to the Pittsburgh community and this important cause.

Take Steps is the Crohn's & Colitis Foundation's largest fundraising event, gathering more than 24,000 people affected by Crohn's disease and ulcerative colitis in cities across the country.

IDI Consulting encourages the community to get involved, participate in the walk, and to learn more about Crohn's disease and other related IBD conditions. The 2026 Pittsburgh Take Steps Walk will be held on June 28, 2026, at F.N.B. Stadium. Check-in begins at 11 a.m., followed by the
