

# I Laser You Introduces the Matrix® Skin Renewal Platform: A Revolutionary Approach to Skin Health

FOREST HILLS, NY, UNITED STATES,

June 16, 2026 /EINPresswire.com/ -- [↓](#)

[Laser You](#) is proud to announce the addition of the Candela [Matrix®](#) platform to its comprehensive suite of aesthetic services. This groundbreaking system is redefining the future of non-surgical skin renewal with science-backed technology designed to meet the evolving skin needs of patients across all ages and skin tones.

“

What excites me most about Matrix® is seeing how small, precise improvements in the skin can create such a profound boost in confidence. It's about helping people look refreshed and feel renewed.

”

More than just [RF microneedling](#), the Matrix® system is a complete skin renewal platform that redefines the approach to non-surgical aesthetic care. This all-in-one system is built to deliver personalized treatments across multiple skin layers, targeting tone, texture, and laxity. Its advanced, real-time impedance monitoring ensures each pulse is perfectly calibrated for consistent results. By stimulating natural collagen production and adapting to each patient's unique skin concerns, Matrix® empowers I Laser You to achieve visible, natural-looking outcomes with greater confidence in every treatment.

Using three complementary technologies, the Matrix® platform allows I Laser You to treat diverse skin concerns across all skin layers with one treatment name, The Matrix Treatment:

- RF Microneedling: Stimulates collagen with precision at up to three depths in one insertion for wrinkle reduction, skin tightening, and volume restoration.
- Fractional Resurfacing & Ablation: Improves texture and tone by delivering fractionated bipolar RF energy to resurface skin and reduce fine lines and wrinkles.
- Bulk Heating: Combines infrared and bipolar RF energies to smooth superficial and deeper dermal layers without needles or downtime.

Matrix® treatments address a wide variety of skin concerns in a single, efficient system—boosting patient satisfaction and practice performance.

## What Makes Matrix® Different?

Matrix® reframes aesthetic care from a technology-centric narrative to an outcome-driven solution. It treats the most common concerns such as skin laxity, fine lines and wrinkles, sagging, and uneven tone while offering benefits like:

- Customized treatments for all skin tones and types
- Visible results with minimal downtime
- Consistent and predictable energy delivery

The Matrix® platform offers preventive care for younger skin, restorative treatments for midlife concerns, and collagen-boosting renewal for more mature skin.

## I Laser You: Dedicated to Transformative Care:

Whether patients are seeking to refine skin texture, reduce fine lines and wrinkles, sculpt the jawline, or restore lost volume, Matrix® Treatments provide visible, natural-looking results tailored to each individual's unique skin journey. I Laser You is the premier destination to begin the Matrix® experience.

At I Laser You, patients can discover how Matrix® Treatments help achieve radiant, youthful-looking skin with confidence. For more information or to schedule a consultation, visit [www.ilaseryou.com/](http://www.ilaseryou.com/) or call (929) 600 0005.
