

Dr. Phillip Dauwe Named a 2025 Best Doctor in Dallas by D Magazine for the Fifth Time

Board-certified Dallas plastic surgeon Phillip Dauwe, MD has been recognized by his peers for his outstanding patient care and surgical excellence.

DALLAS, TX, UNITED STATES, June 17, 2026 /EINPresswire.com/ -- Dauwe Plastic Surgery is proud to announce that Dr. Phillip Dauwe, a board-certified [plastic surgeon in Dallas](#), has once again been recognized as a Best Doctor in Dallas by D Magazine, an honor he has now received five times, in 2020, 2021, 2023, 2024, and 2025.

The D Magazine Best Doctors distinction is among the most credible physician recognitions in North Texas because it is driven entirely by peer nomination. Each year, nearly 10,000 local doctors are invited to vote for colleagues they would trust to care for a loved one. Votes are then reviewed by an anonymous panel of esteemed physicians, and D Magazine editors independently verify each honoree's medical license, board certification, and disciplinary status before finalizing the list. Inclusion reflects the trust and respect of the broader Dallas medical community, not advertising or self-promotion.

“

This recognition speaks to the culture we have built at Dauwe Plastic Surgery — one where excellence, safety, and genuine patient care are never negotiable.”
