Bradenton Rehabilitation  
Hospital.*

“Dr. Kochno's extensive clinical and leadership experience make him an outstanding addition to Bradenton Rehabilitation Hospital,” said Tom Marnejon, CEO of Bradenton Rehabilitation Hospital. “His expertise in rehabilitation medicine, program development, and patient-centered care will help ensure that our patients receive the highest level of specialized medical rehabilitation services.”

A board-certified physiatrist and Fellow of the American Academy of Physical Medicine and Rehabilitation, Dr.

Kochno has served in numerous leadership positions throughout his career, including Chief Clinical Operating Officer and Corporate Medical Director. He has led medical rehabilitation hospitals, skilled nursing facilities, and post-acute care programs across the country, developing innovative medical rehabilitation pathways and quality-focused care models.

Dr. Kochno earned his Doctor of Medicine from Southern Illinois University School of Medicine and completed his residency training in Physical Medicine and Rehabilitation at McMaster University Hospitals in Ontario, Canada. He has also held academic appointments at Loyola University, Mercer University School of Medicine, and LECOM Osteopathic School of Medicine.

"I am honored to serve as medical director of Bradenton Rehabilitation Hospital and work alongside such a dedicated team of inpatient rehabilitation professionals," said Dr. Kochno. "Medical rehabilitation has the power to transform lives, and I look forward to helping patients achieve their recovery goals and return to the activities that matter most to them."
