

High Mark Exit Advisors Launches to Guide Higher-Revenue Business Owners Through Sales and Mergers

High Mark Builds on Over 50 years of Hands-On M&A Experience with a Reputation of Trust, Integrity and Transparency.

KENMORE, WA, UNITED STATES, June 16, 2026 /EINPresswire.com/ -- [High Mark Exit Advisors](#) has opened its doors as a business brokerage and M&A advisory firm serving owners of higher-revenue companies nationwide. The firm focuses on businesses with revenues of roughly \$2 million and above, guiding founders through one of the most significant transitions of their working lives: the sale or merger of a company they spent years building.

High Mark is the sister company to [Omni Practice Group](#), the healthcare practice transition firm founded by Rod Johnston in 2004. Where Omni specializes in dental, medical, and veterinary practice sales, High Mark extends that same disciplined, full-service approach to business owners across a wide range of industries.

“

We started High Mark to bring the experience we've spent twenty years refining to a whole new group of owners, and to help each one find not just a qualified buyer, but the right one”
Rod Johnston

Rod Johnston is joined at High Mark by Emil Fretheim and Nick Carlson, who bring extensive M&A experience from EY-Parthenon, the global strategy consulting arm of Ernst & Young, where they spent a significant part of their careers. graduate of the University of Georgia - Terry College of Business and Emory University - Goizueta Business School.

“Selling your business isn’t just a transaction.
