

BLUETTI Announces Prime Day 2026 Deals with Lowest Prices of the Year

Limited-time promotions from June 23–26 feature discounted pricing on home backup systems, RV energy solutions, and portable power stations.

TORONTO, ONTARIO, CANADA, June 23, 2026 /EINPresswire.com/ -- [BLUETTI](#), a global leader in clean energy storage solutions, has announced its Prime Day 2026 sale in Canada, offering limited-time savings across nearly its entire product lineup from June 23 to June 26, 2026. The four-day event features discounts of up to C\$1,600, with select products reaching their lowest prices of the year.

The promotion spans a broad range of energy storage products designed for home backup, off-grid living, RV travel, camping, and outdoor recreation. In addition to promotional pricing, customers can apply an exclusive 5% discount code toward eligible purchases through both the BLUETTI Canada Official Store and [Amazon Canada](#).

As demand for portable and resilient energy solutions continues to grow, energy storage systems are increasingly being adopted by households, RV owners, and outdoor enthusiasts seeking reliable power during travel, emergencies, and off-grid applications.

Featured [Prime Day Deals](#)

High-Power Home Backup and RV Energy Systems

Apex 300

Designed for home backup and off-grid energy independence, the Apex 300 supports both 120V and 240V output and offers scalable capacity for larger energy demands.

Apex 300: \$1,799

Apex 300 + B300K: \$3,199

Elite 300

The Elite 300 combines high-capacity energy storage with versatile charging options, making it suitable for RV users, outdoor applications, and emergency backup.

Elite 300: \$1,599

Elite 300 + Charger 2: \$1,899

Elite 400

Built for extended runtime and higher output requirements, the Elite 400 provides reliable power for home backup and off-grid scenarios.

Elite 400: \$1,799

RV5 Energy System Bundle

The RV5 system integrates inverter, MPPT, DC-DC charging, alternator charging, and circuit protection into a single platform designed specifically for RV and campervan applications.

RV5 + B4810 + Epanel + Epad: \$4,299

Mid-Size Power Stations

Elite 100 V2 – \$534

Featuring a compact design and reliable output, the Elite 100 V2 is suited for camping, mobile work, and emergency preparedness.

Elite 200 V2 – \$999

With expanded capacity and higher output, the Elite 200 V2 supports a wider range of household appliances and outdoor equipment.

Portable Power for Outdoor Adventures

Elite 30 V2 – \$265

Lightweight and travel-friendly, the Elite 30 V2 is designed for hiking, photography, and everyday portable power needs.

New Product Spotlight: FridgePower

The Prime Day event also includes early-bird pricing for FridgePower, an integrated cooling and energy solution developed for overlanding, camping, and mobile lifestyles.

FridgePower: \$1,199

FridgePower + BlueCell200: \$2,298

By combining refrigeration with energy storage, FridgePower supports extended outdoor trips and off-grid experiences where access to electricity may be limited.

Sale Duration and Availability

BLUETTI Prime Day promotions will be available from June 23 through June 26, 2026, while supplies last. Products can be purchased through the BLUETTI Canada Official Store and Amazon Canada.

Additional savings are available with the exclusive discount code:

Promo Code: BLUETTICAPR5

Complete pricing information and product details can be found during the promotional period on BLUETTI's official sales channels.

About BLUETTI
