

Mike Chesne Joins Operation CEO TV

FL, UNITED STATES, June 17, 2026 /EINPresswire.com/ -- Mike Chesne, Chief of Innovation at Tecton Life Sciences, is set to appear on Operation CEO TV, where he shares how resilience, persistence, and a science-driven approach to metabolic health can help people unlock better performance and long-term wellness.

Operation CEO TV is a cinematic docu-series that honors the entrepreneurs, leaders, and innovators who once served their country and are now building businesses with purpose. Hosted by Rudy Mawer, the show spotlights the next chapter of America's heroes by showcasing their resilience, discipline, and mission-driven approach to entrepreneurship. Each episode follows a veteran's journey from service to success, revealing how the warrior mindset evolves into world-class leadership in business.

You can find out more about the show by visiting their [website](#)

In his episode, Chesne explores the importance of metabolic health and challenges conventional thinking around nutrition, while breaking down how lifestyle choices, proper fueling, and persistence can contribute to improved health outcomes and personal success.

Mike's episode will be available soon on Inside Success Network, streaming on popular platforms. In the meantime, you can find out more by visiting <https://cast.operationceotv.com/mike-chesne>
