

Concierge Plus Launches the New Plus+ Platform, Expanding Its Vision for Connected Community Management

New platform launch supported by a series of educational webinars focused on operations, payments, and governance.

FORT LAUDERDALE, FL, UNITED STATES, June 17, 2026 /EINPresswire.com/ -- Concierge Plus

“

As communities continue to evolve, property management teams need technology that not only solves today's challenges but creates a foundation for future growth,”

Scott Halstead

today announced the launch of the newly upgraded Plus+ Platform, a modernized property management ecosystem designed to help management companies, condominium communities, HOAs, and multifamily properties operate more efficiently while delivering an exceptional resident experience.

The launch marks a significant step for Concierge Plus, bringing communication, resident services, operational workflows, payments, and community management tools together into a single connected environment for North

America. Built specifically for the needs of modern property management organizations, Plus+ introduces a redesigned user experience, expanded capabilities, enhanced automation, and greater visibility across portfolios.

"As communities continue to evolve, property management teams need technology that not only solves today's challenges but creates a foundation for future growth," said Scott Halstead, CEO of Concierge Plus. "The new Plus+ Platform brings together the tools communities rely on every day while creating a more connected experience for management teams, boards, residents, and service providers."

The platform introduces several enhancements designed to simplify day-to-day operations and improve the overall community experience, including:

- A completely redesigned user interface and navigation experience
- Enhanced building and property management tools
- Expanded communication and resident engagement capabilities
- Improved workflow automation and operational efficiency

- Deeper visibility into community activity and performance
- Integrated services and growing ecosystem connectivity
- Scalable infrastructure built to support communities of every size

The launch of Plus+ represents Concierge Plus' continued investment in helping communities centralize operations, reduce administrative burden, and create stronger connections between residents, boards, and management teams.

Supporting Customer Success Through Education and Innovation

As part of the Plus+ launch, Concierge Plus is also introducing a series of educational webinars designed to help property management professionals maximize the value of modern technology while addressing some of the industry's most pressing operational challenges.
