Regional winners were chosen by an independent panel of past winners, top CEOs and business leaders. Judges assessed candidates on long-term value creation, entrepreneurial spirit, purpose-driven commitment, and significant growth and impact.

As a New Jersey award winner, Apirian will now be considered by the national judges for the Entrepreneur Of The Year 2026 National Awards, which will be presented in November at the annual Strategic Growth Forum®, where high-growth CEOs, Fortune 1000 executives and investors converge to shape the future of business. The National Overall Award winner will move on to compete for the EY World Entrepreneur of the Year™ Award in May 2027.
