What is the Marketplace Circle of Champions?

The CMS [Marketplace Circle of Champions program](#) was designed to celebrate the hard work and heart that Marketplace-registered agents and brokers put into their communities. While the program recognizes those who enroll 20 or more consumers, the Elite Plus designation is a rare tier reserved for those who have successfully enrolled 50 or more individuals. Reaching this level in 2026 highlights BenaVest's massive scale and its ability to impact thousands of lives through better healthcare access.

To be eligible and qualify for the Circle of Champions, agents and brokers must have:

- Completed the current-year Marketplace registration and training requirements for agents and brokers
- A valid National Producer Number (NPN)
- An approved, active health-related line of authority in the states in which they're licensed to operate
- Assisted at least 50 active re-enrollments and/or new enrollments during Open Enrollment, with at least 73% of total enrollments being active enrollments
- An unresolved citizenship/immigration and income Data Matching Issue (DMI) rate below 4%
- A Medicaid denial attestation rate below 12%
