

RCD Rent a Car Dubai Introduces No-Hidden-Fee Policy with Free Delivery Across Dubai, Sharjah, Abu Dhabi & Ajman

Trusted Dubai car rental company reaffirms its commitment to full pricing transparency and complimentary vehicle delivery across UAE's Major Cities

DUBAI, دبي, UNITED ARAB EMIRATES, June 18, 2026

/EINPresswire.com/ -- [RCD Rent a Car Dubai](#), one of the UAE's most trusted and affordable vehicle rental providers, has officially announced its No-Hidden-Fee Policy alongside a free vehicle delivery service covering Dubai, Sharjah, Abu Dhabi, and Ajman. This initiative reinforces the company's long-standing mission to deliver a fully transparent, hassle-free rental experience to every customer — whether they are tourists, residents, or corporate clients.

Since its establishment in 2013, Cheap Rent a Car Dubai has served thousands of customers across Dubai, Abu Dhabi, Sharjah, and Ajman. With a growing fleet of vehicles ranging from economy cars to luxury SUVs and sports cars, RCD has built its reputation on affordability and reliability. The newly formalized No-Hidden-Fee Policy takes that commitment one step further by ensuring every customer sees the full rental cost upfront — with no surprise charges at pickup or return.

What the No-Hidden-Fee Policy Means for Renters

Under this policy, all RCD customers are guaranteed the following:

- Transparent pricing displayed upfront — no additional fees added at the time of pickup or return
- Free vehicle delivery to any address within Dubai, including hotels, airports, offices, and

residences

- Complimentary pickup service upon rental completion anywhere across the UAE
- Clearly outlined insurance inclusions with optional upgrades available at disclosed rates
- No surcharges for standard documentation, standard fuel, or routine vehicle inspection
- Full disclosure of Salik (toll) charges and traffic fine responsibilities before booking

confirmation

"Our customers deserve to know exactly what they are paying for — every time. The Dubai car rental market has been plagued by unexpected charges that damage traveler trust. At RCD, we believe in earning that trust through honesty, not fine print. Our No-Hidden-Fee Policy is not just a promise; it is the foundation of how we operate."
