

Restoration Bridge International Announces Special July 4th Food Distribution Celebrating America's 250th Anniversary

Palm Beach County Community invited to receive free groceries while supporting the Freedom to Serve Challenge benefiting local families

BOYNTON BEACH, FL, UNITED STATES, June 18, 2026 /EINPresswire.com/ -- Restoration Bridge International (RBI) is proud to announce a special Independence Day Food Distribution on Saturday, July 4, 2026, from 9:00 a.m. to 12:00 p.m., or until supplies last, at the Boynton Beach Mall parking lot behind the former Sears building. Families are encouraged to arrive early, as previous distributions have drawn long lines and supplies are distributed on a first-come, first-served basis.

This special event commemorates America's 250th Anniversary and is being held in partnership with the [Warriors Choice Foundation](#) under the theme:

"Celebrating America's 250th Anniversary Through Service."

Combat veterans and first responders who have dedicated their lives to serving others will continue that mission by helping distribute food directly to local families in need.

"Our nation's story has always been one of neighbors helping neighbors," said Jason Mandle, Executive Director of Restoration Bridge International. "As we celebrate 250 years of American history, we're honoring that spirit through service. This event is about bringing our community together and ensuring families have access to nutritious food during challenging times."

Freedom to Serve Challenge

In conjunction with the event, [Shiner Law Group](#) is proud to launch the Freedom to Serve

Challenge and has pledged the first \$1,000 toward RBI's fundraising goal of \$20,000.

The challenge invites local businesses, community leaders, civic organizations, and residents to join the effort and help expand RBI's impact. Every dollar donated helps provide approximately 11 meals to individuals and families facing food insecurity.

"One thousand dollars is just the beginning," said David Shiner, Founding Attorney of Shiner Law Group and Chairman of Restoration Bridge International.

"We're challenging our community to help us turn one commitment into a community movement. Together, we can make a meaningful difference for families who need support."
