

# Captain's Quarters Resort Launches the "I Remember When" Photo Challenge, Celebrating Decades of Myrtle Beach Memories

MYRTLE BEACH, SC, UNITED STATES, June 18, 2026 /EINPresswire.com/ -- For decades, Captain's Quarters Resort has been where Myrtle Beach memories are made. Generations of families have walked through its doors, claimed their spot on the beach, and gone home with photos they've kept ever since. Now, as Captain's Quarters undergoes its most significant transformation in the property's history, the resort is inviting those guests — old and new — to be part of the next chapter.

A vintage snapshot captures the kind of memory Captain's Quarters has been part of for generations. Now, the resort is inviting guests to share their own through the "I Remember When" Photo Challenge.

Captain's Quarters is launching the "I Remember When" Photo Challenge, a contest that asks past and present guests to share a favorite memory photo from their time at the resort. Whether it's a sun-faded shot from the 80s, a first-time lazy river float, or a family moment from just a few summers ago, every memory tells a part of this resort's story. One randomly selected Grand Prize winner will be among the very first to experience the all-new

Captain's Quarters — a resort reborn for a whole new generation, while honoring everything that made it an icon in the first place.

“

As we open an exciting new chapter with a completely reimagined look and incredible new experiences, we also want to celebrate where we came from.”

"Captain's Quarters has hosted so many families over so many years, and those memories are genuinely part of what makes this place special," said Matt Klugman of Vacation Myrtle Beach. "As we open an exciting new chapter with a completely reimagined look and incredible new experiences, we also want to celebrate where we

came from. This contest is really about honoring the generations who made Captain's Quarters what it is — and welcoming the next ones."

The "I Remember When" Photo Challenge arrives at a landmark moment for the resort. This summer, Captain's Quarters unveiled a fully renovated exterior and reimagined lobby, giving the property a fresh, modern coastal feel from the moment guests arrive. And coming mid-summer 2026, is [The District](#) — a brand-new 17,000-square-foot indoor entertainment destination featuring dining, duckpin bowling, arcade games, drinks, and social experiences designed for both resort guests and the public. Together, the renovations and The District represent a new era for one of Myrtle Beach's most recognizable family destinations.
