

Elite Warehousing & Fulfillment Named a 2026 Colorado Companies to Watch Winner

Recognized for helping brands scale through flexible warehousing, fulfillment, and logistics while creating jobs and strengthening Colorado's economy.

DENVER, CO, UNITED STATES, June 22, 2026 /EINPresswire.com/ -- [Elite Warehousing & Fulfillment](#) is proud to announce it has been recognized as a winner in the 2026 [Colorado Companies to Watch](#) awards, an honor celebrating second-stage companies that are making a significant impact on Colorado's economy through innovation, growth, and community leadership.

Elite Warehousing and Fulfillment Awards Recipients

The award was presented during the 18th Annual Colorado Companies to Watch Gala Awards Celebration held on June 19, 2026, at Wings Over the Rockies Air & Space Museum in Denver.

Colorado Companies to Watch recognizes growing businesses that demonstrate strong performance, leadership, and the potential to shape the future of Colorado's business landscape. The program highlights companies that are scaling successfully while contributing to their industries, workforce, and communities across the state.

Founded in Colorado, Elite Warehousing & Fulfillment has continued to grow by helping businesses navigate increasingly complex scaling challenges including warehousing, fulfillment, and kitting. From supporting fast-growing product brands and retail distribution projects to flexible warehouse solutions and community impact initiatives, Elite has built its reputation around adaptability, operational structure, and hands-on partnership.

"We're incredibly honored to be recognized alongside so many innovative Colorado companies," said Don Rainville, CFO and General Manager at Elite Warehousing & Fulfillment. "This recognition reflects the hard work of our entire team, the trust our clients place in us, and the strong community of businesses and partners we're fortunate to work with every day."

Over the years, Elite has expanded its operations to support businesses managing seasonal demand spikes, Amazon FBA preparation, custom kitting projects, retail fulfillment, overflow warehousing, and overall project coordination. The company has also remained deeply committed to community involvement through partnerships supporting food insecurity initiatives, workforce development, skilled trades education, and nonprofit fulfillment support.

Colorado Companies to Watch's mission is to empower second-stage companies that fuel the economic fire of Colorado by creating a year-round community focused on growth, education, collaboration, and long-term success.

The 2026 Gala brought together entrepreneurs, nonprofit leaders, executives, and innovators from across Colorado to celebrate organizations helping shape the state's future through resilience, innovation, and impact.
