

Ryan Capatosto to Appear on Kingdom Creators TV

FL, UNITED STATES, June 19, 2026
/EINPresswire.com/ -- Ryan Capatosto, Founder and Chief Executive Officer of SaintSal™ Labs and inventor of the HACP™ Human-AI Connection Protocol, is set to appear on Kingdom Creators TV, where he will share insights on enterprise artificial intelligence, multi-model AI orchestration, and human-centered AI systems.

Kingdom Creators TV is a groundbreaking faith-based TV series that shines a light on Christian entrepreneurs who credit their success not just to strategy or hustle, but to God. Each episode features real, raw stories from business owners who've navigated trials, setbacks, and uncertainty – and came out stronger because they put their trust in Him.

You can find out more about the show by going to [website](#)

In this episode, Capatosto will explore the development of AI systems that keep humans at the center of decision-making, the importance of building technology with values and guardrails, and the lessons learned from creating a patented AI protocol years before the emergence of modern generative AI.

With a growing demand for authentic stories and real-world insight, Kingdom Creators TV continues to spotlight individuals who are shaping their industries and redefining what it means to build something meaningful over time.

Ryan's episode will be available soon on Inside Success Network streaming platforms. In the meantime, you can find out more by visiting <http://cast.kingdomcreatorstv.com/ryan-capatosto>
