

# BetterWorld Technology Honored with Pax8 Nonprofit Partnership Award at Beyond 2026

OAK BROOK, IL, UNITED STATES, June 22, 2026 /EINPresswire.com/ -- [BetterWorld Technology](#) has earned the 2026 [Pax8](#) Beyond Partner Award in the Nonprofit Partnership category during Pax8's Beyond 2026 conference. The awards program recognizes partners who drove significant cloud adoption and the success of organizations worldwide by leveraging their relationship with Pax8 and its innovative Marketplace. This is the second consecutive year BetterWorld Technology has received this recognition.

"This recognition reflects the consistency of our work alongside the nonprofit community. Winning it back-to-back says something about the trust these organizations have placed in us, and we are grateful to Pax8 for acknowledging that work."

John Jordan, Co-Founder and COO, BetterWorld Technology

Held in Salt Lake City from June 7 through 9, Beyond 2026 provided Pax8 partners with three days of immersive learning, community, and innovation. Attendees gained critical business insights through keynote presentations from industry leaders and custom-built breakout sessions. 20 partner awards were presented during the conference, showcasing the transformation, impact, and success these partners are having on the channel ecosystem through their partnership with Pax8.

"Our partners continue to impress us with their relentless innovation and commitment to delivering transformative cloud and AI solutions to SMBs. We are proud to recognize their dedication to empowering customers with technologies that drive meaningful business growth and success."

Nick Heddy, President and Chief Commerce Officer, Pax8
