

100% Bond Back: OZ Cleaning Geelong Launches Agency-Compliant Vacate Cleaning for Moving Renters

Streamline Your Tenancy Handover with Premium End of Lease Cleaning in Greater Geelong, Bellarine Peninsula, and the Surf Coast

GEELONG, MELBOURNE, AUSTRALIA, June 23, 2026 /EINPresswire.com/ -- What is [OZ Cleaning Geelong](#)'s Vacate Service?

OZ Cleaning Geelong provides comprehensive, agency-compliant vacate cleaning services across Greater Geelong. Backed by an absolute 72-hour re-clean guarantee, the fully insured local team uses commercial-grade extraction systems and eco-friendly formulas to fulfill strict property manager requirements under the Victorian Residential Tenancies Act.

The Stress-Free Way to Secure Your Deposit

Moving houses is widely recognized as one of life's most chaotic events. Between packing boxes, coordinating removalists, and settling utilities, trying to scrub a rental property to absolute perfection is a recipe for exhaustion. Worse yet, minor oversights can cost you hundreds of dollars from your bond.

Fulfilling your legal obligations under VCAT (Victorian Civil and Administrative Tribunal) and REIV (Real Estate Institute of Victoria) standards requires returning a rental property in a pristine state. That is exactly where we step in. Our dedicated local teams take the tedious workload off your shoulders, allowing you to transition into your new home with complete peace of mind.

Our comprehensive package targets the exact hot-spots property managers scrutinize during final inspections:

Deep Oven and Rangehood Cleans: Total removal of baked-on grease, carbon deposits, and oil residue from trays and racks.

Heavy Carpet Steam Extraction: Lifting deep-set traffic lane grime, allergens, and surface stains from carpeted rooms.

Detailed Wet Area Sanitization: Eliminating soap scum, limescale, and grout mildew from kitchens, bathrooms, and laundries.

Interior Window and Sills: Clearing dust, fingerprints, and streak-marks to maximize natural light.

Wall and Baseboard Detail: Wiping down scuffs, dust, and spiderwebs across all living zones.
